

Kansas State Board of Nursing Weekly Update

May 22, 2020

The mission of the Board of Nursing is to assure the citizens of Kansas safe and competent practice by nurses and mental health technicians

Beginning Tuesday, May 26, 2020 the Landon Building will reopen to members of the public who have business to conduct. The Board of Nursing lobby will be open to **limited** public traffic. We must observe social distancing requirements and continue to decrease the spread of COVID-19. The majority of staff continue to telework to decrease possible exposure. Due to these requirements, we must limit the number in our lobby to no more than 2 at a time. **It is highly recommended that you conduct your business with the Board of Nursing via online services, mail, phone call or email. There is a secure drop box located outside of the agency that is available for anyone to drop off documents for the Board of Nursing.** If you need to talk with someone, it is highly recommended you make an appointment so we can serve you when you show up. Only one person per appointment and no children or other adults are permitted. Telephone appointments are also available. To make an appointment, please call 785-296-2967. Given that many of our KSBN staff members are teleworking, the best way to contact them is via their email. You may find our direct agency contacts information listed under [Staff Directory](#) on our website. Please continue to follow our website and social media [[Twitter](#) and [Facebook](#)] and our [COVID-19 Information Center](#) for agency updates and frequently asked questions.

- ⇒ **Fingerprints:** Due to social distancing requirements, **KSBN will NO longer perform fingerprinting services in the agency** effective immediately. There is a [list of the sites with contact information on our website](#). Please assure you are bringing the information required at that site.
- ⇒ **Free series of COVID-19 courses for Health Care Professionals:** NCSBN's International Center for Regulatory Scholarship (ICRS) is offering an invaluable series of [free online COVID-19 courses](#). Three of the four courses offer continuing education credit upon completion and are offered in a self-paced format. Nurses are invited to self-enroll through the catalog at: <https://catalog.icrnsnbn.org>. The courses include: "COVID-19: Epidemiology, Modes of Transmission and Protecting Yourself with PPE," "COVID-19: Nursing Care," "COVID-19: Basic Law and Ethics for Nurses during COVID-19" and "COVID-19: Credible Information, Hoaxes and the Media."
- ⇒ **June 2020 KSBN Committee and Board Meetings:** Due to the need for social distancing and to continue to decrease the spread of COVID-19, the June 2020 KSBN Committee and Board Meetings will **NOT** be held face-to-face in a physical location, however will occur via virtual methods. More information will be posted next week on our website regarding the June KSBN Committee and Board Meetings.
- ⇒ **Can a nursing graduate work in a graduate status until licensed?** No, Kansas does not allow graduates of nursing programs to work in a graduate status as a nurse until they are licensed. That would be practicing without a license in Kansas. Other states may allow this, however Kansas does not.
