Certification. Task Force: Carol Bragdon discussed the APRN Certification Task Force. A request was sent to the Attorney General Office to provide information regarding their feedback for requiring certification for Advanced Practice. We received a written response from Assistant Attorney General, Jan Arndt which was read by Carol Bragdon. A copy of Jan Arndt's response will be included with the March 27, 2018 APRN Committee minutes.

Nurse Midwife Council: Cara Busenhart, MSN, CNM, APRN reported that a full set of regulations that were approved by the Board of Healing Arts at their December 2017 board meeting. The regulations that were placed in the March 2018 Board packet did not include all of them. A handout was given of the full set of regulations. Some of the Nurse Midwife Council concerns are dual regulation of a split scope of practice, creation of a new unrecognized credential (CNM-I) and non-adherence to national standards of practice for Certified Nurse Midwives.

It was the consensus of the APRN Committee to decline the current regulations and refer them back to the Board of Healing Arts for consideration of nationally recognized standards of practice. Motion #3 Zeller/Hertel Approved.

Agenda for June 2018 Committee:

       2) Five Year Legislative Review
       3) APRN Certification Task Force
