KEY

BSN – Bachelor of Science in Nursing (RN)

ADN – Associate Degree Nursing (RN)

PN – Practical Nursing

CCNE – Commission on Collegiate Nursing Education (national accreditation)

ACEN – Accreditation Commission for Education in Nursing, Inc. (national accreditation)

****Note: National Nursing Accreditation is not required by the Kansas State Board of Nursing for approval of nursing programs nor does it replace the need for approval by the Kansas State Board of Nursing**

1 + 1 – These programs include 2 application processes, one for the PN program and one for the RN program. The first level only has PN content, and the student must obtain a PN license before continuing in the RN program.

Bi-level – These programs have one application process, with faculty teaching PN and RN content from day one. The student can opt out of the RN program, take the PN NCLEX and become licensed as a PN; or the student can matriculate through the entire program, take the RN NCLEX and become licensed as a RN.
